## *Our international reach*

### What we do for our clients

Eversheds' unique geographical coverage means that we can offer our clients banking and finance expertise in key jurisdictions in Europe, the Middle East, Africa and the Far East. With a single point of contact, you will have access to specialists across our network who can deliver advice wherever you need it.

Our global coverage gives us an insight into developments in different markets and we regularly advise on domestic and cross border transactions. We have the resources to enable us to deliver the most complex deals in the tightest timescales whilst providing a partner led service.

The current economy needs lawyers who can deliver creative and innovative solutions to achieve the right outcome for their clients, and our coverage of the following areas enables us to deliver legal as well as strategic and practical advice:

- Syndicated Finance
- Acquisition Finance
- Real estate Finance
- Project and Infrastructure Finance
- Asset Finance
- Asset-based Lending
- Restructuring and Workouts
- Structured Finance
- Securitisation and Capital Markets
- Trade Finance
- Islamic Finance
